INFORMATION ON SELECTION OF THE BEST OFFER

Gambit Lubawka Sp. z o.o. hereby announces that for the Request for Quotation **ZP/2016/10/1** for purchase, delivery and assembly of a calendaring machine in the framework of the project "Implementation of innovative technology of manufacturing a new type of gasket sheets using the calendaring method", financed from the EU funds in the framework of the Regional Operational Programme of the Dolnośląskie Voivodeship for 2014-2020., Priority axis 1. Enterprises and innovations, Action 1.5. "Development of products and services in SME", Sub-action 1.5.2 Development of products and services in SME – ZIT AW, the following offers have been placed:

Ordering Party name:	Offer value [EUR]	points awarded for criterion of price	points awarded for criterion of technical support/service	points awarded for criterion of delivery time	total points
BUZULUK a.s. (Czech Republic)	626 800,00	70	10	15	95
Rodolfo Comerio S.R.L. (Italy)	648 100,00	not applicable	not applicable	not applicable	offer rejected

The Ordering Party hereby informs that according to point VIII clause 2 of the Request For Quotation the offer from Rodolfo Comerio S.R.L. (Italy) has been rejected as different from the description of the subject of the Request For Quotation and demands corresponding to conditions of order execution, described in the Request For Quotation ZP/2016/10/1.

In the presented specification of the device the Contractor declared that:

- The cooling roll and the heating roll shall be made of steel; whereas the Ordering Party demanded the cooling roll to be manufactured of cast iron, and the heating roll shall be manufactured of steel;
- The connection of heating shaft shall be realized through an articulated clutch; the Ordering Party demanded it to be realized through a jaw clutch,

which is inconsistent with the conditions described in the Attachment 4 „Detailed description of the subject of the order”, clause II „description/technical data to the Request For Quotation ZP/2016/10/1. Therefore the placed offer does not meet the requirements of the Request For Quotation. Taking the abovementioned demands into consideration, the offer is rejected.

As the most beneficial and attractive, according to the criteria of offer assessment described in the Request For Quotation, the offer of BUZULUK a.s. (Czech Republic) is considered. The Offer has been awarded total sum of 95 points.

The Offer is valid – it is not a subject of rejection and the Contractor that placed it is not a subject of exclusion.

The Ordering Party and the Contractor shall enter into an agreement for purchase, delivery and assembly of the calendaring machine for forming gasket sheets.
